

Dr Geraldine Spiteri Lucas
CEO and Registrar

"The Malta Business Registry seeks to provide students with opportunities that pave the way to a fruitful career in the corporate world. I am a firm believer in education hence, we seek to strike a balance for students to keep on pursuing their studies whilst working at the MBR. It is with great pleasure to note that several students have started their career with us and have now become part of the MBR family."

Ms Annalise Zammit
COO and Deputy Registrar

"Empowering students and enhancing their educational skills are at the heart of our mission. As an entity we seek to provide students with guidance to pursue their career trajectories and understand closely the opportunities offered. Through job shadowing and apprenticeships, students are given a hands-on experience on what a career in the corporate sector entails."

Mr Geoffrey Agius
Head of Human Resources and Development

"As a Human Resources and Development Unit, we constantly seek to provide students with work opportunities to gain valuable knowledge, experience and hands-on practice and to gain familiarity of a working environment. This will help the student to determine areas of interest and serve as a guidance in choosing the ideal academic path to make proactive career choices."

How to apply?

Send us a:

- Covering Letter
- CV indicating stage of studies
- Letter of Reference by a lecturer
